Hooper Selected to Receive a Torch Award for Ethics from Better Business Bureau of Wisconsin

DeForest, WI (May 1, 2023) – Hooper Corporation is honored to be recognized with a prestigious [BBB Torch Award for Ethics](#) as announced by the Better Business Bureau of Wisconsin. Award recipients were selected by an independent, distinguished panel of business and community leaders and will be recognized at the [2023 BBB Ethics Awards Luncheon](#) on Thursday, May 18th at the [Italian Community Center](#) in Milwaukee.

“The BBB Ethics Awards application is a grueling process, requiring the organization to analyze and communicate all aspects of their internal and external procedures to the judges,” said Julie Albrecht, Executive Director of the BBB of Wisconsin Foundation. “These organizations should be immensely proud of their commitment to ethics in their day-to-day operations.”

Since 2003, BBB has honored businesses and non-profit organizations of all sizes that meet the highest standard of ethics and trust among their employees, customers and local communities, embodying BBB’s mission to advance marketplace trust. Hooper is one of seven organization selected to receive a Torch Award for Ethics in 2023.

“Doing business the right way has always been the cornerstone of our corporate culture” said Hooper President Steve Lindley. “We are deeply honored to receive this meaningful recognition on behalf of our ethical conduct and commitment to respectful collaboration across all areas of our business.”

For more than 100 years, the Better Business Bureau has been helping people find businesses, brands and charities they can trust. Visit [BBB.org](#) for more information.

About Hooper

Since 1913, Hooper has grown to become a well-respected electric power and mechanical contractor. With headquarters in Wisconsin and regional offices in the states of Colorado, Florida and Ohio, Hooper provides a wide range of services to support commercial and residential clients.

Hooper’s areas of expertise include fabrication and installation of complex plumbing, process piping, fire protection, and HVAC systems as well as the construction of substations and high-voltage transmission and distribution lines. Hooper also actively provides power line clearance and deploys emergency storm response teams around the country to help restore power to communities ravaged by natural disasters. For homeowners in the Wisconsin region, Hooper’s Service Division provides 24-hour maintenance and repair on HVAC and plumbing systems. Businesses also benefit from these services in addition to fire protection options provided by Hooper’s certified technicians.

The firm’s Safety Empowered philosophy provides the knowledge, equipment, and investment needed to prevent harm and save lives both on and off the job site. Through its charitable foundation, Hooper is honored to provide essential funding to community nonprofits that support our neighbors in need. Built on a reputation of excellence and trust, Hooper plays an integral role in delivering the resources needed for people to live and work in comfortable, healthy environments.
