Priority Plan Membership Advantages

Regular Maintenance Visits

The Priority Plan includes two annual visits, one in the fall for your furnace and one in the spring for your air conditioner. During these visits, our certified technicians will perform a comprehensive inspection, cleaning, and tune-up of your HVAC systems. This proactive service helps identify and fix any potential issues before they turn into costly repairs.

Discounts on Repairs and New Installations

As a Priority Plan member, you'll receive exclusive 10% discounts on any repairs or installations. These savings can add up quickly, making it easier to afford necessary repairs or upgrades when they are needed.

Priority Service Scheduling

Priority service scheduling means you'll be at the top of our list when you need repairs or maintenance.

Additional Benefits:

- Extended Labor Warranty on Hooper Recommended Repairs
- Special Savings Offers
- Emergency Service Repairs charged at regular hourly rate. (Emergency Trip Charges still apply.)

Priority Plan Membership Overview

- Membership includes maintenance of one furnace and air conditioning system per residence. An additional \$8 will be charged per piece of equipment above and beyond the included system.
- Membership fees will be charged to your credit card monthly on the same date you first activated service and appear as a charge from *Hooper Service Priority Plan* on your statement.
- Spring and Fall service appointments are scheduled at the discretion of the Priority Plan Member. Please call 608-246-7850 to book your service appointments.
- Emergency trip charges are not included in Priority Plan discounts.
- Minimum 1 year commitment required. Please contact a customer service representative in our HVAC residential department at 608-246-7850 if you wish to opt out of membership.

Our customers say it best.

“Quick and professional service provided. Service technician was on time, knowledgeable, and explained things very well!”

“Hooper saved the day with a difficult new AC unit install at our condo. Impressed with their hard work ethic and patience!”

“The service provided was excellent. I will continue to use Hooper Service for my furnace and air conditioning maintenance.”
